I like my house. My favourite room is the sitting room. There is a big sofa in this room. The sofa isn't brown, it's red. There is a dog on the sofa. I like the bedroom, too. There's a bed, a white desk and a white chair. My cat Bibi is in my bed! I don't like the bathroom but I like the kitchen. There are two yellow cupboards and one blue cupboard in the kitchen. Oh, the banana is under the blue cupboard. What's on the table? The red apple and the green pear.
